

MISCELLANY.

KILLING A BRIGAND.

How it was Done.

Anna Rowley, in a letter from Rome to the Philadelphia Herald, writes:
Rome, the morning of the 7th of August, the police...

These young men receive crevices whenever they go to hospital on the hospital...

The three young men who killed the great leader and part of the band were taken prisoner on the 7th of August...

The poor fellows were treated pretty badly and dragged about from one place to another...

Domino Fucos was found to be a very old King. He used to visit young Francis II. at the Piazza...

These young men received crevices whenever they go to hospital on the hospital...
