Dear Jamie

Your note of the 14th inst. only
reached my hand this moment with
little account for my silence. It was
posted on the 15th - but being addressed
by Mr Frank Pray to the Treasurer - did
not get to me ~~until~~ ^{before} we had left
& was forwarded to Mr Pray by Mr Benson
today. You must have thought
my silence on the matter. Last night
very strange. This will excuse it.

Are you out of the woods yet?

If I am not disappointed in some
money I hope to see the last of
this month. - am in Phil^a. I can
help you - if I am disappointed
I shall be in a small despair
myself. & you will forgive me
for I shall be in the same boat
with you ~~myself~~.

Nothing would give me greater pleasure
than to oblige you. you know this.
I am hopeful matters will be settled
very soon after Congress meets. - the
north will have to back down. on the

Missin's question. - the subject will be the top of the
our way. - or have an article of his. - the note is written
on the Congress meets. & the subscription
is forming to send. - he shall be at right
myself -

Your truly yours
