New York June 7th  
1874.

Dear Mr. Owen

Thanks  
for your kind letter  
of congratulation. It  
cheers my heart.

The address of the  
wonderful healing  
medium is Mrs E. F.

Hillman 915 F. St.  
Washington. She  
will remain in.

that city till the  
first of July. Her  
New York address  
I enclose. I think  
you had better write  
to her at once and  
arrange a meeting  
immediately on her  
return to this city, as  
she expects to be  
sent for in some  
expense. This poor  
Screw. I am  
much hurried and  
not worried.

Yours with sincere regard  
Grace Greenwood
