Dear Mrs. Childs - I am at last
able to send the material
for the book of travels - I
have worked as hard as
I dared to for several
days past and hope
that the work is now
pretty well prepared.

If you send proof to me
at Philadelphia any
time after the 25th I
shall be thus to correct
it - direct care of Mr.

B. R. Plumbly. - I shall
not be able to visit Boston
again this fall. - If
you wish proof corrected
before the time I have
stated you must do it
yourself. - I am sorry

that I cannot be nearer
you than Philadelphia
during the publication
of this book - but I fear
my health would be
again endangered by
an encounter with
the East winds. I
am sure you will hold
me excused. - I am
getting well as fast
as could be reasonably
expected - but I am
still very weak and
susceptible to cold.

Do let me hear from
you - I am so anxious
to know if Mr. Pickens
has returned and how
he is - Give him my love
I wrote you a few days
ago and sent on the

enclosed copy of the
papers, by Adams & Co's
Express.

Dear Mr. Fields, could
you without too much
trouble to yourself, enquire
of Mr. Chickering the
lowest price at which
he could ~~make~~ sell
a fine-tuned well-made
grand in a plain case
suitable for a school.

A friend of mine wishes
such an one for this fall.

Kindest regards to
Mr. and Mrs. Whipple
Ever cordially and
faithfully yours
G. G.
