Dear Sir.

I am in receipt  
of your favour of the 20<sup>th</sup> inst. - If my terms  
do not frighten you, more than they seem  
to have done, Albany, Syracuse & a number  
of other towns - I might possibly, make  
a night for you <sup>about</sup> ~~any~~ the middle of  
January. I cannot work much on  
long. Therefore, I am obliged to ask  
five hundred dollars for night, deposited  
in advance, for a reading of selections  
from Shakespeare, play of Henry 8<sup>th</sup>.

An early reply will oblige

Yours very truly
